

ATTESTATION OF PERSONAL REPRESENTATIVE ALBERTA

You have submitted a claim as Personal Representative of a **minor child** who resides in Alberta and who is eligible for money under the First Nations Drinking Water Settlement Agreement.

We are asking you to complete this form so that the minor child's money is processed correctly. You have options in completing this form. Please choose **one** option only:

Option A: You can choose to have the minor child's money paid to the Public Trustee in Alberta. This means that the minor child's money will be held in a public trust until they turn 18.

To choose this, check the box under A – Election. **This option is also the default and will apply if you do not return this form within 60 days of receipt.**

OR

Option B: You can attest (make a legal statement to the best of your knowledge) that **one** of the situations under B is true. In this case, some or all the minor child's money will be paid to you on their behalf.

Please read the statements fully. In brief, these options are:

- **B-1** – You are the trustee of the minor child's property, under a trust document or a court order; **OR**
- **B-2** – You are the minor child's mother or father with the power and responsibility to make day-to-day decisions affecting the minor child; **OR**
- **B-3** – You are the minor child's guardian (for example, you have the power and responsibility to make day-to-day decisions affecting the minor child)

Only the trustee of the minor child's property will be able to receive all the minor child's money on the child's behalf. If you are a person with the power and responsibility to make day-to-day decisions affecting the minor child, we can make the payment to you as long as the money the minor child is entitled to is \$25,000 or less. If the minor child is entitled to more than \$25,000, all of the money will need to go to the Public Trustee of Alberta to be held in trust for the minor child until they turn 18.

You may only choose ONE option: in other words, please make one election (check box A) or make one attestation (complete one section of B).

You'll also see, on the last page, an acknowledgement. This needs to be signed if you are the minor child's parent (B-2) or the minor child's guardian (B-3). This is confirming that the money you are receiving is for the minor child and will be spent only for the minor child or saved for the minor child. Please read this through before signing.
