

ATTESTATION OF PERSONAL REPRESENTATIVE NEWFOUNDLAND & LABRADOR

You have submitted a claim as Personal Representative of a **minor child** who resides in Newfoundland and Labrador and who is eligible for money under the First Nations Drinking Water Settlement Agreement.

We are asking you to complete this form so that the minor child's money is processed correctly. You have options in completing this form. Please choose **one** option only:

Option A: You can choose to have the minor child's money paid to the Public Trustee. This means that the minor child's money will be held in a public trust until they turn 19.

To choose this, check the box under A – Election. **This option is also the default and will apply if you do not return this form within 60 days of receipt.**

OR

Option B: You can attest (make a legal statement to the best of your knowledge) that **one** of the situations under B is true. In this case, some or all the minor child's money will be paid to you on their behalf.

Please read the statements fully. In brief, these options are:

- **B-1** – You are the minor child's guardian of property, under a court order; **OR**
- **B-2** – You are the minor child's parent and they reside with you; **OR**
- **B-3** – You have lawful custody of the minor child (for example, they live with you and you have day-to-day care and control of the minor child).

Only a court-appointed guardian of property will be able to receive all of the child's money on the child's behalf. If you are the minor child's parent and they reside with you, or if you have lawful custody of the minor child, up to \$2,000 can be paid to you. Anything above that amount will need to go to the Public Trustee to be held in trust for the child until they turn 19.

You may only choose ONE option: in other words, please make one election (check box A) or make one attestation (complete one section of B).
